Designed by award winning architects featuring soaring floor to ceiling glass panels to showcase the very best of Hinterland views. The use of natural timber and stone throughout creates a feeling of excellence, character and warmth. Designed to replicate a Canadian style lodge this home fits perfectly into the landscape and reflects the features of the quaint town of Montville which is only minutes away. Cleverly designed to take in the magnificent views of the Baroon Pocket Dam through to the hills beyond, creating a feeling of peace and tranquility. The Sanctuary is perfectly named and we are sure that it will become your favourite sanctuary in the beautiful Sunshine Coast Hinterland.
